Company Extract Explanation
Extracts are available for companies (types APUB and APTY) and registrable Australian bodies (types FNOS and RACN) and managed investment schemes (type MISM).
The 50 most recent documents will be shown in the document list. These documents do not affect the document lists provided as part of the charges and external administration groups.
A complete document listing can be requested free of charge by the company document listing request. This is to protect customers against excessively large extracts.
